A meeting of the delegation was held in the Chapel at the County Farm, Feb. 10, 1919, in accord with due previous notice, following a dinner served under the direction of the County Commissioners. Chairman Ranney presided. The roll was called and 34 members responded, and a quorum was declared present.

Lee of Concord, Chairman of the special committee, presented the following communication from the Commissioners:

CONCORD, N. H., FEB. 7, 1919.

To the Merrimack County Delegation,
Legislative Session of 1919.

Gentlemen:

We herewith submit our estimate of necessary expenses of Merrimack County for each of the years 1920 and 1921:

County Farm	\$20,000
Paupers off Farm	38,000
Aid to Soldiers and Families	5,100
County Jail	5,000
Court House and County offices	4,500
Salaries and Expenses, County officers	5,300

Superior Court	12,000
Interest	2,000
Aid to Needy Blind	1,000
Miscellaneous	500
	\$96,400

Figures from the county report now in the hands of the printer, show the expenses for the county for the year 1918 to have been \$96,798.55 including the appropriation of \$1800 voted by the Delegation of 1917 to the Merrimack County Farm Bureau.

The County has no outstanding bonds or notes and all bills which had been presented for payment on Jan. 1 were paid.

There was a cash balance in the hands of the Treasurer at the close of business Dec. 31, 1918 of \$11,304.64.

Respectfully submitted,

ARTHUR H. BRITTON,

JOHN F. JEWELL,

JOHN G. MCQUILKIN,

County Commissioners.

On motion of Ahern of Concord, the appropriation for the year 1920 was made \$96,400; and on motion of the same member, the appropriation for 1921 was also made \$96,400.

George M. Putnam was called upon by the Chairman to explain the needs of the Merrimack County Farm Bureau, and he addressed the delegation at some length. George Hill of Concord of that organization presented its budget.

Ahern of Concord offered a resolution that the County Commissioners be authorized to expend the sum of \$3,000 to assist the Farm Bureau of Merrimack County for each of the years 1920 and 1921. Lee of Concord supported the resolution.

Cilley of Concord moved to amend by making the sum \$5,000 as requested by the Bureau managers. There was further discussion by Martin of Franklin, who seconded the amendment, and by Fowler of Pembroke and Couch of Concord. The amendment was declared lost by vote of 11 to 22, and the resolution was adopted.

Upon motion of Ahern of Concord, the County tax for 1920 was fixed at \$99,400 and that for 1921, \$99,400.

Adjourned.

A true record.

House Bill No. 292—An act in relation to clerk hire in the office of the Register of Probate for Merrimack County was in order for public hearing. Couch of Concord favored its passage. Lee of Concord asked what the fees of the office aggregated but no one present had the information.

On motion of Ahern of Concord, the Chairman was instructed to appoint a committee of three members to ascertain the information and report at a later meeting. The committee named was: Orr, Leach and Knowlton of Concord.

Adjourned, subject to the call of the Chairman or Clerk.

CONCORD, N. H., MAR. 26, 1919.

A duly advertised meeting of Merrimack County delegation called to order by Chairman Ranney at 1:40 p. m.

The Clerk being absent, Martin of Franklin was elected Clerk pro tem.

Mr. Hill of Farm Bureau, E. N. Pearson, Burns Hodgman of Concord and Mr. Graham of Boscawen spoke in favor of the following resolution offered by Mr. Lee of Concord.

"Resolved, that the sum of \$2,000 for the year 1920 and \$2,000 for the year 1921 be and the same is hereby appropriated for the Merrimack County Farm Bureau, to be expended for the work of said Bureau, subject to the approval of the Merrimack County Commissioners."

Moved by Mr. Orr of Concord that resolution be adopted. Motion carried, with understanding that this amount is to be in addition to \$3,000 already appropriated.

House Bill No. 292 considered and amendment made by Ahern of Concord, as follows:

"Amend section 1 of the bill by adding at the end thereof the following words, 'provided that such expense to be paid from the County Treasury shall not exceed the sum of \$300.00 in any year, so that said section as amended shall read:

Sect. 1. Subject to the approval of the County Commissioners, the Register of Probate for Merrimack County may employ such clerical assistance as may be necessary for the proper conduct of the business of his office and of that of the probate court, and the expense thereof shall be paid from the county treasury, provided that such expense to be paid from the county treasury shall not exceed the sum of \$300.00 in any year."

Mr. Orr of committee of inquiry reported that Register of Probate reported that his income from office was \$2,400 per year.

Voted that bill be recommended as inexpedient to legislate.

Voted to adjourn at 2:15 p. m.

WM. H. MARTIN,
Clerk, Pro Tem.

REPORT OF THE COUNTY COMMISSIONERS.

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailor, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1919.

COUNTY FARM.

The affairs at the County Farm continue in a most satisfactory condition under the efficient direction of Mr. and Mrs. J. M. Lorden as Superintendent and matron.

Notwithstanding the greatly increased cost of all necessities, the net cost of maintaining the institution has not been very materially increased during the past year. The farm is in a high state of cultivation, which makes it possible to raise large crops and thus help keep the living costs down.

EXPENSE OF MAINTENANCE.

Amount of orders drawn against the farm for the year 1919		\$37,940.26
Increase in inventory	\$ 2,241.17	
Amount sold from farm	11,421.74	
Amount due the farm	2,016.38	15,679.29
Balance against the farm		\$22,260.97
Number of weeks board furnished inmates and prisoners	5780	
Average net cost per week		\$3.85

VALUATION OF PERSONAL PROPERTY AT FARM.

Live stock	\$8,875.00
Fuel on hand	1,995.00
Tools and farm implements	3,870.00
Produce	8,172.40
Grain and fertilizer	409.00
Groceries and provisions	2,745.51
Furniture, bedding, dry goods and clothing	5,600.00
Laundry machinery and fixtures	900.00
Drugs and medicines	375.00
Fire apparatus	1,100.00
Miscellaneous	2,415.00
	\$36,456.91

COUNTY POOR AWAY FROM FARM.

Under this head are included those who receive aid from the County in their homes; children in orphanages, private homes and hospitals, but not including aid furnished to soldiers or to the needy blind. The amount expended for this relief during the year was \$33,114.00

JAIL.

The County Jail continues in charge of High Sheriff George A. Wooster whose management, we believe, has met with the hearty approval of all concerned. It is our belief that the County Jail system in New Hampshire should be abolished and a State workhouse established. We believe this should be done for many reasons, first among which is the direct benefit which would come to the prisoners themselves by being given some useful employment, either in the shop or on the land, rather than serving terms of idleness in some jail cell. On the other hand the prisoner would be able to earn something toward his support and possibly prevent his family from being made public charges.

Nearly every County in the State has a modern House

of Correction where minor offenders might be sent and be provided employment. We trust the next Legislature will take some action looking toward the betterment of that class of unfortunates who now make up the jail population in New Hampshire.

FINANCES OF THE COUNTY.

The total appropriation for the year 1919 was \$96,600. This was \$2,800 less than in 1918. All bills which were presented for payment and approval have been paid, leaving a cash balance in the treasury at the close of the year of \$6,019.57.

Merrimack County has no outstanding bonds or notes.

The valuation of the County property is as follows:

Alms house, Court house and jail	\$214,947.00
Personal property at Alms house	36,456.91
Personal property at Court house	5,215.00
Personal property at jail	440.00

In submitting this report to the citizens of Merrimack County, we wish to express our thanks and appreciation for the assistance and loyal support which has been so freely extended to us by all organizations, officers and citizens of the State and County.

Respectfully submitted,

ARTHUR H. BRITTON,
JOHN G. MCQUILKIN,
JAMES L. COLBY,
Commissioners of Merrimack County.

TREASURER'S REPORT.

JOHN G. MCQUILKIN,
JAMES L. COLBY,
Commissioners of Merrimack County.

December 31, 1919.

AUDITOR'S REPORT

We hereby certify that we have audited the accounts of the county commissioners, county treasurer and superintendent of the county farm, from January 1, 1919 to January 1, 1920, and have found the same correctly cast and supported by proper vouchers. We believe that all purchases have been made at reasonable prices and have been used for county purposes.

W. J. AHERN,
ELWIN L. PAGE,
County Auditors.

To the Auditors:

We hereby certify that the floating indebtedness of the county on January 1, 1920, to the best of our knowledge and belief, does not exceed five hundred dollars, aside from the amount due cities and towns for the support of paupers away from the farm, for the support of soldiers and sailors, and for the salaries of the county officers for the last quarter.

ARTHUR H. BRITTON,
JOHN G. MCQUILKIN,
JAMES L. COLBY,
Commissioners of Merrimack County.

MERRIMACK, SS., January 30, 1920.

Personally appeared Arthur H. Britton, James L. Colby and John G McQuilkin, and made oath to the above statement.

W. B. RANNEY,
Justice of the Peace.

Respectfully submitted,

J. M. LORDEN,
Master of the House of Correction.

In submitting our third annual report, we wish to again extend our gratitude to the commissioners of Merrimack County for their unerring council, courteous treatment and untiring efforts to help us in every possible way in solving the many problems which continually confront us in this line of work.

To our physician, Dr. E. T. Drake, our chaplain, Rev. M. J. Allen, and Fr. J. E. Finan, we are grateful for physical and spiritual service cheerfully tendered at all times.

As in former years, the W. C. T. U. of Franklin, through Mrs. Martha Colby, have taken charge of our Christmas entertainment and supplied each and every one under our charge with presents. They have also contributed much to the enjoyment of our people by their visits, birthday remembrances, reading matter and delicacies furnished at various times during the year.

Thanks are extended to Mrs. A. H. Britton, Mrs. W. L. Jenks and Miss Eva Haines for their contribution of presents and vocal and instrumental music furnished at our Christmas entertainment. We also wish to include Miss Dorothy Hanson, Miss Tandy and the other young ladies from Franklin who so kindly took a prominent part in our Yuletide festivities

To the officers who have labored so faithfully in their various departments with us during the year, we are indeed grateful, and we wish to extend them our personal thanks.

Respectfully submitted,

J. M. LORDEN, Supt.
BELLE E. LORDEN, Matron.

REPORT OF THE CHAPLAIN

This institution now renders a service that was done by the Church in earlier centuries. As society has developed and work once done by the Church has been taken over by the State, there has been a division of function, and charitable work that was once done by the Church and other religious institutions has been assumed by the State. This leaves the Church free to lead in the reconstruction of the social order instead of repairing the damages done, to a large extent at least, by the imperfect social order that is now passing away. Before this important change took place, religion and the church had to do with repair work, while the new work was made by the State. A modern preacher who serves as chaplain of an institution like this should be an expert in repair work. In his own pulpit he preaches the social gospel: in the chapel it must be individual. Such a situation is good for the "modern preacher." He realizes that the Master sought the individual.

We miss the prisoners at the chapel services. Many of them were good listeners, ready for the preacher's best. And yet we would not have old John Barleycorn to reign over us. We prefer preaching to empty seats.

The chapel services have been much helped musically by Bertha Colby, Marie Morgan and Jennie Cosette, and our thanks are given them for their services.

As usual Christmas is the great event of the year at the farm. For a whole month Mr. and Mrs. Haggerty worked busily decorating the chapel and other parts of the building. The display did much credit to its creators and was considered their "best ever." Two fine trees came in from the forest on which Santa Claus left presents for everybody. The Franklin W. C. T. U., true to their custom of a quarter of a century gave a

most pleasing entertainment, Mrs. Calley in charge. Musical numbers were rendered by Mrs. Simonds of Franklin and Mrs. Britton of Concord. Miss Haynes of Concord presided at the piano. Readings were given by Miss Dorothy Hanson of Franklin.

Our county may well be proud of this institution. It is a "New Home" for more than one hundred worthy people. If "cleanliness is next to godliness," this is a most holy place. There is a fine co-operative spirit among all the helpers. The Superintendent and the Matron are an excellent blend of efficiency, humanity and inspiration.

Respectfully submitted,

MELVIN J. ALLEN, Chaplain.

GEORGE M. FLETCHER,
Clerk of Superior Court, Merrimack County.

SOLICITOR'S REPORT.

To the Commissioners for the County of Merrimack:

In accordance with the provisions of the Public Statutes, I am submitting to you my report for the year ending December 31, 1919.

At the April term of the Superior Court, the Grand Jury found 17 indictments against 15 respondents, as follows:

Adultery	3
Attempted rape	1
Breaking and entering	7
Forgery	1
Larceny	2
Rape	4

Of these respondents, one was sentenced to prison and six to jail. In five cases the sentences were suspended, in one case the respondent has not been apprehended as yet.

At the October term of the Superior Court, the Grand Jury found 16 indictments:

Adultery	3
Attempted rape	1
Breaking and entering	4
Larceny	7
Unlawful cohabitation	1

Of these respondents one was sentenced to prison, four to jail, and one to House of Correction. Three of the respondents were turned over to Grafton County, three received suspended sentences, and two of the indictments have not been reached for trial.

Prison sentences were imposed in two cases the first part of the year where the indictments had been found during the term of my predecessors.

In addition to the handling of the indictments two appeal cases have been tried by jury. One of these was a liquor case which had its origin in Concord, and, although a verdict was returned in favor of the respondent, the practical effect seems to have been very good. The liquor situation throughout the county is very satisfactory on the whole.

On October 12, Dennis J. Clifford of Hooksett was murdered in his home. Diligent efforts had been made by my predecessor, Mr. Dudley, to find the guilty parties, and during the first part of 1919 every clue that presented itself was run down without success. On November 6, 1919, Maurice F. Otterson, a splendid young citizen of Hooksett, was shot and killed in his home. Evidence will be presented to the next grand jury in an effort to fix responsibility for this crime.

At the October term a bill in equity was brought for the forfeiture of forty-eight gallons of pure grain alcohol which was seized as an illegal shipment last January. Under a decree of the court this liquor is now being sold by the Sheriff, and should net the county several hundred dollars.

The most troublesome problem which confronts the Solicitor is the proper handling of cases in which husbands desert their families. Obviously a man in jail is not much assistance in the way of support, so in the average case the best policy has seemed to be the imposition of a suspended sentence. There is a surprisingly large number of these cases, and I endorse the suggestion of one of my predecessors that a workhouse would be an admirable institution for those gentlemen whose family obligations rest too lightly on their shoulders.

The unfailing courtesy and co-operation of officials of all ranks throughout the entire country has been of very great assistance to me.

HERBERT W. RAINIE,
County Solicitor.

In conclusion, gentlemen, allow me to thank you for the courtesies shown me since my report of 1918. Permit me to thank the Clerk of Court, County Solicitor, all the attorneys of Merrimack County, the police department of the various cities and towns and also all my deputies.

At this time I would like to make a few suggestions which I think would be of benefit to the County, financially and otherwise. The condition of the Merrimack County Jail at the present time is in very bad shape, and to put it in the condition that other jails in the State are in would cost thousands of dollars. It is unfit for use. My suggestion to you and to the tax payers of Merrimack County is that the jail should be sold or closed, and that a few cells be placed in the basement of the Court House for the use of the sheriff to hold prisoners until after their preliminary hearing and then be taken to the jail at the House of Correction to be held for trial. I think this would be a great saving to the county. The duties of the sheriff are such that there is work enough for him to do without being jailor. The sheriff's salary being only six hundred dollars, I think it should be increased, and the Commissioners should provide a suitable place for him to live where it would be convenient to reach him at all times by the citizens.

Respectfully Submitted,

GEORGE A. WOOSTER,
Sheriff.
